The Town of Taylorsville is seeking quotes for the demolition and removal of 5 mobile homes in the Grover Bowman Mobile Home Park. The homes will need to be disconnected from our water and sewer system prior to beginning demolition in order to reduce the possibilities of our infrastructure being damaged. Disposal fees at the landfill will be assessed to the Town's account and won't be the responsibility of the contractor. Certificate of Insurance must be submitted with quote. For more information, please contact Aaron Wike at 828-632-2218.
